1ST CALL FOR SPONSORS & EXHIBITORS

SPONSORSHIP OPPORTUNITIES

During the IEEE EMC & SIPI 2021 in Glasgow, Scotland, we are providing a range of different sponsorship opportunities to allow our valued exhibitors and sponsors to enhance their visibility, and marketing opportunities, to the attendees.

There will be 3 main sponsorship levels; **Gold, Silver and Bronze.**

There will also be a series of 'a-la-carte' packages allowing you to benefit from additional sponsorship opportunities.

GOLD SPONSOR

1 AVAILABLE

- **3 - 1hr Vendor Presentations / Seminars to be held in the exhibit hall**
- **2 - Table Top Stands located outside the main technical session rooms**
- **Use of a dedicated meeting room for 4 sessions of 1.5hr**
- **Provision of a meeting room in the conference hotel for you to hold a corporate reception**
- **Full page advert in the Advance and Final Programs**
- **Your logo will be prominently displayed around the venue, identifying you as the Gold sponsor**
- **3 - Full Attendee Registrations**

For more information on the sponsorship packages and to register your interest in sponsoring, please contact John Vanella:

john.vanella@conferencedirect.com

EXHIBITOR OPPORTUNITIES

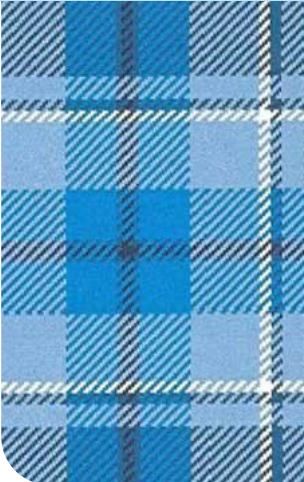

As ever, we look forward to welcoming you as an exhibitor at IEEE EMC & SIPI 2021, whether you are one of our regular valued exhibitors, or if this will be your first time

The exhibition will provide you with an opportunity to meet and network with both current and potential customers, as well as to partake in the exhibitor events which are planned.

All exhibitors will benefit from the following;

- Company logo on the Bingo card
- Exhibitor Media Pack
- Listing in the Final Program and on the website
- 2 - Tickets for the Welcome Reception
- 2 - Tickets for the Gala Dinner

Further, for 2 hours on Wednesday afternoon there will be a dedicated exhibition session, during which there will be no other technical sessions or meetings running.

- With opportunities for you to sponsor this session, enhancing your visibility to the attendees.

Details of the exhibition floor layout, and associated stand packages, are being finalised and will be made available in due course.

To register your interest in exhibiting, please contact John Vanella:
